Basic Logistics
Training Flow
Taking Breaks

Taking Breaks

Take them as you need them – you know what you need!

Please do your best to shut down outside distractions to maximize your time with the group

Basic Logistics
Training Flow
Taking Breaks

Training Flow

- A lot of group discussion – meet and learn from each other
- You'll have a new group each day of the training to maximize the number of people you interact with

Asking Questions

Q&A opportunities:

- After each session
- Town Hall on January 22

My question isn't relevant to our current topic

- Write it in the chat box and staff will answer there

One on one time

- Please feel free to reach out via email to schedule one on one time outside of the training

Group Discussion

Breakouts are Pre-Assigned

- Each topic will have at least two sub topics
- Use the Discussion Sheet after the presentation to get started
- Be sure to engage with all participants and give everyone a chance to speak

Academy of Nutrition and Dietetics
