Include user defined fields

Download Data

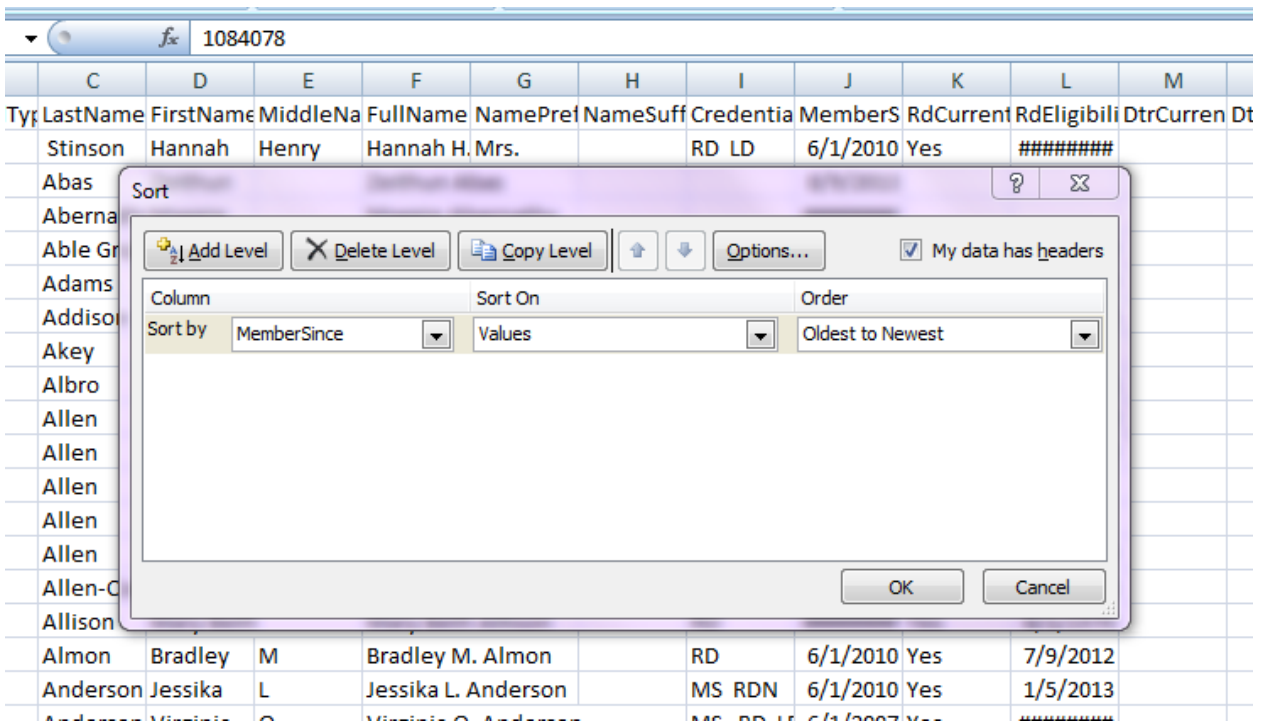

- When the data appears in the Excel spreadsheet, highlight the entire spreadsheet by clicking the blue arrow.

- Select the Data tab and then Sort.

- Select Add Level and use the drop down to select **Member Since** in the Sort by field. Then click OK.

7. Those members who have a **Member Since/Original Academy Join Date** in **1968 or earlier** will be the **members with 51 years or more of Academy membership**. You can then select those record lines and copy/paste to a new document for further use.
